

9.4.5 Ammunition for Training Purposes

Rationale

Sporting Shooters Association of Australia Para Branch Inc. recognises that:

- It needs to assist new members into the shooting sports;
- We have a duty of care to our members and visitors;

In considering this policy, the club is mindful that many of its members self reload not only for economical reasons, but as part of the sport itself to find the optimal load to suit their firearm.

Aim

This policy is to ensure a safe environment for our members and visitors. It applies to all facilities and sections under SSAA Para control as from 6th March 2018. This policy applies to all members, administrators, officials, coaches, players and visitors of SSAA Para Inc.

Policy:

SSAA Para Inc. Ammunition for training purposes policy requires that:

- Firearms used for training purposes are to use ammunition sourced from an appropriate manufacturer/dealer with an appropriate insurance policy.
- Reloaded reduce loads are also required to be sourced from an appropriate manufacturer/dealer with an appropriate insurance policy.
- SSAA Para is to have a stock of ammunition to suit all available club firearms for training purposes.

Anyone wishing to discuss any aspect of this policy is invited to contact SSAA Para Council.

Policy review:

The policy on reloaded ammunition will be reviewed six (6) months after its introduction and then on an annual basis. This will ensure that the policy remains current and practical.
