

## 3 POSITION / FIELD RIFLE

19th Black Powder Rifle Interclub @ ABPMLC, South Australia

Field Rifle & 3-Positional is a rifle discipline that aims to improve hunting marksmanship under rifle range conditions, while teaching them the capabilities and limitations of their equipment. Field Rifle uses Rimfire and Centerfire rifles and is designed around the four most used field shooting positions of rapid fire, standing, standing post rest and sitting/kneeling post rest over various distances, while 3-Positional uses the same rifles as Field Rifle, but is a slow-fire event that uses the prone, standing and sitting/kneeling positions.
