

SINGLE ACTION

Single Action is a multifaceted discipline that uses original or replica firearms that were commonly used in the Old West period of 1800 to 1899. This includes single-action revolvers, lever-action and slide-action rifles and carbines, lever-action and pump-action shotguns, and side-by-side shotguns without automatic ejectors. The targets are generally reactive and vary in shape and dimension. In addition to competition, Single Action shooters also preserve, promote and respect the skills, traditions and pioneering spirit of the historic American Old West, often adopting a shooting alias appropriate to the era.
